

*For Jesus; Through Mission; With Children
"on earth as it is in heaven"*

The Christian Scheduler's Prayer

Dear Jesus:

As I schedule, help me be a *light-bringer* to the children in our school.

Let me understand the child's needs, and then understand my colleague's needs.

Let me listen to the defensiveness of my colleagues with compassion, and then be compassionate in the life of each child.

Let me be inspired by the encouragement and prayers of my colleagues and then be an encouragement to the children.

Help me build a schedule that more and more helps children grow and thrive and be joyful in their educational journey.

And let there be light.

Amen.
